

Performance

Extreme performance for hard pack to intermediate terrains. Tackle tough off-road situations with confidence.

Styling Steering

The self-adjusting double-ended rack and pinion steering ensure precise control. Navigate the course effortlessly with this feature.

Visibility

Precisely designed high beam for improved visibility when golfing at night or in low light conditions.

Power

Lithium's power (optional) brings a vast array of benefits, including lighter weight, shorter charging times, more miles per charge, little-to-no maintenance, and longer battery life.
